

INDUS CORE EDUCATION FOUNDATION

UNITED NATIONS SUSTAINABILITY
DEVELOPMENT GOAL (SDG 3.4)

About Indus Core Education Foundation

- Pune-based Indus Core Education was started out of the deep understanding that the state of the education in India which requires the quality teachers and mentally strong students.
- Another vision is that communities living in socio-economic backwardness and information poverty can be empowered to improve their lives on their own, simply by providing them access to information and knowledge on using digital tools.
- Indus Core Education Foundation was registered as a not-for-profit organization under Section 25 of the Company Act 2013, to carry out this mission of empowering student and teachers fraternity.
- Indus Core Education Foundation has adopted a multi-stakeholder and multi-dimensional approach and aligned its objectives the United Nations Sustainability Development Goals 2030 and focusing its work on SDG 3.4 and SDG 4.C.
- Both these goals are interlined with each other as the mental health and well being of the students are directly related to the Teachers Quality improvement and leads to better teaching techniques reducing mental stress of the students.

Mission

Our mission is to adopt a passion and commitment for constantly empowering teachers, especially students, faculties and information-dark communities, with the power of information

Vision

Our vision is a world where mental health is valued, promoted and protected; where mental health conditions are prevented; where anyone can exercise their human rights and access affordable, quality mental healthcare; and where everyone can participate fully in society free from stigma and discrimination.

Indus Core Education Foundation (ICEF) has played its part as the implementing agency for creating awareness on Mental Health, its impact and overcoming strategies and will continue to work PAN INDIA to provide support, expert advices, literacy, tools and technical support to make India joyous and tension free.
